WASHINGTON, D.C. 20510

November 14, 1969

Mr. Joshua Lederberg
Stanford University
School of Medicine
Stanford Medical Center
Palo Alto, California 94304

Dear Joshua:

Enclosed is a copy of the National Cancer Institute's interim report, "Studies of Pesticides and Other Agricultural and Industrial Chemicals," which Senator Hart had printed in the Congressional Record.

This is the only information available at the moment, but we're attempting to get additional details. I will let know whatever we can obtain.

Best regards.

Sincerely yours,

GAYLORD NELSON

U.S. Senator
